PEDRALI®

DESIGN PEDRALI R&D
PEDRALI OUTDOOR, ITALY

Arki is an outdoor lounge seating system that brings the comfort and elegance of indoor furniture outside. Designed for versatility, it offers modular configurations to suit various spaces and personal preferences, making it ideal for residential and commercial settings.

Each piece features polyurethane foam padding, a waterproof lining, and durable outdoor fabric, with options for chaise longue configurations with right or left armrests. The generously sized, geometric cushions rest on a lightweight structure supported by elastic belts for added comfort.

Raised by stainless steel feet, Arki's steel tube backrest and armrests are accented with teak detailing. The removable fabric lining allows for easy cleaning, making it a stylish and practical choice for any outdoor space.
