

Bolle

MIDJ

DESIGN PAOLA NAVONE
MIDJ, ITALY

The Bolle collection was created for outdoors and features macro-perforated coloured metal, with a soft and playfully captivating aesthetic. Bolle comes in armchairs, lounges, coffee tables and lamps.

The name Bolle, meaning bubbles, derives from the process of producing the metal shells, which leaves Bolle with a striking texture and strong graphic impact. The seats are presented as cradling shells, that can be customised with cushions to elevate comfort.
