

## Calum

**DESALTO**

**DESIGN** SIMON PENGELLY  
DESALTO, ITALY

The delicate and discreet silhouette of Calum fits spontaneously into home and contract environments. The collection offers extremely comfortable seats in a pure and fluid form, which rest on the ground lightly, fitting easily and naturally into any context. Relaxing and graceful thanks to its delicate profile, Calum has a simple, spontaneous and intuitive shape.

A variety of base and arm options allow Calum to take on many forms. Surprising but reassuring at the same time, it is the natural evolution of a collection of chairs for residential use and contract environments.
