

## *Koki Wire*

**DESIGN** POCCHI + DONDOLI  
DESALTO, ITALY

Functional lines that move in space outline the silhouette of the Koki Wire collection. The slenderest possible steel wire creates an ethereal body with a solid geometry

A new collection of seating for the outdoors in powdercoated steel, or chromed steel for the indoor version. An expansion on the popular Koki collection, now offering a wire alternative as a stacking chair, stool, lounge chair and two-seater lounge.
