

L45

DESALTO

DESIGN GORDON GUILLAUMIER
DESALTO, ITALY

The fundamental aspect of the L45 collection is contained in a single detail, around which this project has been developed; the joint between the leg and the top, characterised by a contact reduced to an absolute minimum, based on the meeting up of the respective vertices.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural

CERTIFICATION

100% recyclable
ISO14001, ISO9001
Product Stewardship Programme
