

Lamorisse

PEDRALI

DESIGN CMP DESIGN
PEDRALI OUTDOOR, ITALY

Lamorisse is an outdoor armchair with an aluminium frame, ideal for waterfront verandas, poolside settings, or ship decks. The extruded aluminium structure features oval legs and round tube armrests, supporting a large polyurethane foam cushion for comfort.

Elastic belts reinforce the seat, while the cushion, divided into sections connected by a zip, forms the seat, back, and armrests. This design allows for easy placement, handling, and replacement of padded parts without needing to replace the entire chair.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural
