

Nene

MIDJ

DESIGN PAOLO VERNIER
MIDJ, ITALY

The Nene collection is based on the concepts of efficiency and practicality. Starting with the simple shape of a classical chair, this collection is born with a fresh, contemporary feel, suitable for residential and commercial use, in both indoor and outdoor environments.

Nene is available with closed or opened back, with or without arms, in plastic or upholstered with a removable cover. Each plastic version meets regulatory requirements for use in public places (CATAS certification), it is stackable and is UV stable.
