

Nim 4-Leg

INCLASS

DESIGN YONAH
INCLASS, SPAIN

Nim was born of the quest for a seating collection capable of establishing a dialogue with any space and integrating into it. Wisely modelled, Nim stands out for its enveloping, friendly and elegant design. The use of timber and upholstery outlined with an original edging that contrasts with its contours, bring warmth and customisation possibilities to the collection.

The collection includes a chair; available with a 4 leg or sled base, stool in both counter and bar heights and a 2-5 seater beam seat.
