

Rever

INCLASS

DESIGN MARIO RUIZ
INCLASS, SPAIN

Designed by Mario Ruiz, Rever blends elegance, comfort, and adaptability. It effortlessly transitions between workspaces, enhancing concentration, and domestic spaces, creating inviting interiors. Crafted with top-quality materials, the Rever collection offers lounge chairs with two back heights, customisable for various architectural styles and uses.

Options include three outer shell versions, a swivel base in three finishes, and high backs with adjustable features. These versatile characteristics allow Rever to transform to fit different settings, making it a versatile and customisable piece.
