DESIGN ALEXANDER LOTERSZTAIN
DERLOT, AUSTRALIA

Inspired by the sun loungers of the 1970s, the Strap collection summons a sense of nostalgia for social swimming hubs and endless blue skies. But clean lines and hardwearing materials make the collection a timeless classic fit for modern times. Both elegant and durable, Strap is made from 70% recycled aluminium, which may be recycled again after the product has served its purpose—a situation which is rather unlikely.
