DESALTO

DESIGN EUGENI QUITLLET
DESALTO, ITALY

The clean, consistent design of Eugeni Quitllet adopts and characterises the curved steel tube which becomes the structural core of Strong collection.

Strong embraces the idea of using art to shape new ideas, taking the shortest road for the solution through a continuous form, nothing more, nothing less.

The Strong collection includes a cantilever chair and a series of stools available in low, counter and bar heights. Strong tables are available in 3 different heights and a variety of sizes and finishes.
