

Sui

INCLASS

DESIGN CARLOS TISCAR
INCLASS, SPAIN

Sui is a collection of tables that stand out for their refined and timeless design. The signature of the collection is the relationship between the flat and curved surfaces – the result is an elegant and versatile table that easily blends into all types of environments.

The Sui collection is manufactured with an aluminium frame, making them light, sturdy and corrosion resistant at the same time. Available in a wide range of sizes, from small occasional tables to large format work and meeting tables. The wide variety of frame finishes, top materials and accessories allow endless customisation.
