

Taia 4-Leg on Castors

INCLASS

DESIGN SIMON PENGELLY
INCLASS, SPAIN

Inspired by the silhouette of an open flower, Taia is an extensive seating collection that offers versatility, functionality and comfort with a timeless aesthetic. The enveloping shells are constructed from moulded polypropylene and are available fully upholstered or with optional seat cushions if additional comfort is required.

The extensive range of colours, upholstery options and the variety of base types available, offer the opportunity to create infinite design combinations to match the most diverse contexts and projects.

The Taia family includes the following base options; 4-Leg (metal and timber), Sled, Timber Trestle, Cantilever, 4-Way Swivel, 5-Way Castors. All chairs are available in selected house colours and finishes.
