

## *TBC1 Wire*

**DOWEL JONES**

**DESIGN** DALE HARDIMAN & ADAM LYNCH  
DOWEL JONES, AUSTRALIA

TBC1 Wire (short for the Tubular Chair collection) is an Australian made tube and wire chair that is the most paired back of the TB range. The silhouette is defined by an archetypal chair shape, with the back rest and seat constructed from bent wire sections for comfort. The TBC 1 Wire Chair can be made suitable for both indoors and outdoors on request.

**LEADTIME**

6-10 Weeks

**WARRANTY**

3 Year Structural
