

Trapeze Rectangle

DESIGN THINKING WORKS
THINKING WORKS, AUSTRALIA

Trapeze is an award winning innovative table base system with a unique profile, designed for commercial applications and suitable for a variety of configurations including desks, meeting tables and boardroom tables. Trapeze was awarded an Australian International Design Mark in 2008.

Trapeze legs and leg support inserts are manufactured from 100% recycled aluminium content and uses minimal components for easy disassembly and recycling.

Trapeze accommodates tops of unlimited length providing endless opportunity for a wide variety of configurations and table widths of up to 1600mm. Trapeze legs can be positioned at any point along the beam to accommodate various table overhangs.
