DESIGN DAVID CHIPPERFIELD
WÄSTBERG, SWEDEN

The w102 Chipperfield collection, designed by David Chipperfield for Wästberg, is a series that embodies timeless elegance and precision engineering. Known for its minimalist aesthetic and focus on functionality, this collection is the perfect blend of form and performance, designed to seamlessly integrate into both modern and traditional spaces.

Each piece in The w102 collection is crafted with the highest quality materials, featuring slender aluminium bodies and a range of carefully selected finishes, from matte to polished, that exude a quiet sophistication. The collection offers a variety of light fixtures, including table, floor, wall and pendant lights, all designed with adjustable elements to direct light where it's needed most.

Whether you're illuminating your workspace, living area, or dining room, The w102 Chipperfield Collection provides a refined lighting solution that enhances any environment. With its precise, understated design and commitment to sustainability, it's the perfect choice for those who value both aesthetic and environmental responsibility.
