DESIGN JOHN PAWSON
WÄSTBERG, SWEDEN

The w223 Pawson, designed by British designer John Pawson for Wästberg, is a refined table lamp that embodies the designer's signature minimalist aesthetic. With its elegant, geometric form and simple design, the Pawson lamp offers a perfect blend of functionality and style, making it an ideal addition to both contemporary and traditional interiors.

Crafted from high-quality materials, The w223 Pawson provides soft, ambient light that creates a calm and welcoming atmosphere. Its clean, straightforward lines allow it to seamlessly integrate into any space, whether used as a reading lamp in a living room, a bedside companion, or a decorative piece on a desk or side table.

The understated beauty of The w223 Pawson brings an air of sophistication to any room. Its timeless design and high-quality construction make it a perfect choice for those seeking a versatile and elegant table lamp.
